Downtown Lens: Window Painting

Exhibition duration: September 23 – September 26, 2021

APPLICATION DEADLINE: Friday, July 30, 2021

The Allied Arts Council invites artists from Lethbridge and area to submit proposals for mural works to be painted on downtown business windows. This temporary exhibition is being held in partnership with a variety of downtown businesses.

This year's thematic lens is **RE:IMAGINE**. This theme signals a positive turning point that acknowledges a desire to forge new ideas and to break new ground. This may take shape by developing innovative partnerships, or fusing seemingly opposite disciplines to create fresh and perhaps unconventional images. This project coincides with Lethbridge Arts Days 2021, which is a 4-day celebration of the arts in Lethbridge held in conjunction with provincial and national Culture Days. The public will be able to observe artists from a distance as they paint the windows on September 23, 24 & 25. Downtown Lens will be included in our Gallery Stroll being held on Sept 25.

The AAC welcomes applications from all artists regardless of ability, culture, ethnicity, citizenship, gender identity, or race.

Submission Requirements:

1. Provide a brief sketch of your concept.
2. Provide a brief description of your project and how it relates to this year's theme RE:IMAGINE.

Support Material Provided:

- Artists will be supplied with tempera paint in a variety of colours.

Submissions and questions about Arts Days Lethbridge may be directed to Tara Gillanders, Projects | Membership Manager. projects@artslethbridge.org

We anticipate all artists will receive a small honorarium, to be defined once funding has been confirmed.
